

Angus should have gone with Mae to pick up the boys from Treegap.	The Man in the Yellow suit hears the entire Tuck story while hiding behind bushes.
Jesse fell out of a tree right onto his head.	Jesse is always carefree and adventurous.
Winnie begins to feel comfortable with the Tucks.	Miles is an unhappy person.
The Tucks lived in a disorganized house compared to the Foster home.	The Tucks have looked the same for 87 years.
People should be frightened of the Tucks.	Everyone would find out the Tuck's secret.
The Tucks should not have taken Winnie.	Jesse ate poison toadstools and it did not hurt him.
Angus carved a 'T' on a tree trunk to mark where they have been.	The toad was a good friend to Winnie.
